

Our 2019 theme:

Brooklyn School Newsletter

Kaitiakitanga:

Guardianship, Self Efficacy, Wellbeing,
Sustainability & Relationships.

Kia Ora,

24th June 2019

Term 2 is now in its final stages and for students and teachers this involves analysis of progress, assessments and reporting processes. Interviews will also be conducted by those teachers over the next 2 weeks. We encourage all parents to attend interviews so as to be informed of your child's academic progress. If you are unable to make it your allocated time please contact our school office, or your child's teacher to arrange an alternative time. We really appreciate your investment into your child's learning.

The Room 1 & 2 Project is getting closer to beginning and soon we will see this area of the school cordoned off for safety reasons. This will add to an already 'tight' availability of space around the school and teachers are preparing to be as flexible as possible during this process. The excitement is building as we look forward to the completion of this initiative.

Have a wonderful, warm week everyone and all the best for the upcoming term break.

Chris

This is our terrific 'Cross Country Team'. A great effort put in by these children.

Four runners ran such good times that they will represent Brooklyn at the Regional Cross Country.

Logan Wassell & Eli Robertson – Intermediate section and
Amy Wassell & Petra Cederman in the Junior section.

Does anyone have any old Lego no longer in use that they are willing to pass onto school for sensory play?

FOTS: Don't forget to send in your donations towards the grocery hampers for our quiz nights..... 😊

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately. You can call us on 105 for all non emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.
