

Our 2018 theme: Growing Together

Manaaki whenua, manaaki tangata, haere whakamua

Care for the land, care for people, go forward.

10th Sept 2018

Kia Ora,

Spring has sprung and our students are enjoying the warm weather and the benefits it brings – namely no muddy playing areas! It is also fantastic to see our children being 'Sun Smart' by wearing their hats and even sunglasses. I would strongly encourage our families to dig out the 'Brooklyn Hats' and start bringing them to school.

Last Friday night saw our school hall rocking to the 80's with the Junior and Senior Disco's taking place. These were organised as fundraisers to support upcoming class camps. A huge thank you to the parents who came down to support and show off their dance moves – this was very much appreciated by the teachers. We have never seen so many sets of leg warmers in one area – very impressive costumes from all involved!

Our Room 6 Wellington Camp Week is fast approaching and everyone is getting very excited about this amazing experience. A wonderful week exploring our Capital City awaits with many brilliant initiatives planned – very special indeed.

Keep an eye on the calendar for upcoming dates and events and have a wonderful week full of learning.
