Kia Ora, 16th September 2019
A MASSIVE wee ahead for our senior students as they prepare for their upcoming performances alongside the other schools in our cluster. We wish our group well and we know that their efforts will make us proud. Good luck! For those parents still yet to purchase tickets, please contact our school office for details.
Science is another focus area for us as students work towards completing their investigations in the middle and senior school. Some of these will be entered in the upcoming SciTech Fair. Check out our calendar below for dates. It's great to see our students now beginning to wear hats as the sun gets stronger. Please support our 'sun safe' message as we get ready for the warmer months ahead.
2 weeks to go and so much yet to achieve, goals to meet and success to be had.
Let's get stuck into it!

FOTS

We have just purchased 3 new bright book browsing shelves for the junior books for our library!
Book Fair is getting closer, 1 parent has stepped up to run the plant stall on the day.... so parents/caregivers, time to start planting the seedlings with your children to donate. We will also be looking for produce (citrus, eggs, jams, marmalades) to sell on the day. This stall generally makes the school quite a bit of money, so worthwhile having. Thanks in advance!
Closer to the time we will also require baking and sweet treats.
