Kia Ora,

14th October 2019

Welcome back to another term packed full of challenge, learning and achievement. I hope that your holidays were a chance for quality family time and recharging the batteries for the 10 weeks that await.

It was brilliant to see students move back into Rooms 1 & 2, taking ownership of their flash, new learning environments. We are very pleased with the outcomes of this project and acknowledge the patience that has been shown by both staff and students throughout this development. Please feel free to stop by and have a look inside these rooms if you haven't already.

Be sure to keep an eye out for upcoming events, times and dates etc, as this term is sure to be a busy one.

Have a great week everyone.

Chris
