Guardianship, Self Efficacy, Wellbeing,  
Sustainability & Relationships.

Kia Ora,

26 Feb 2019

Exciting times are ahead at Brooklyn School as we await the start of our planned Rooms 1 & 2 upgrades. The work will begin shortly on these two learning spaces and we are looking forward to utilising the wonderful environments that will be created. We hope to have these renovations completed for the start of the 3<sup>rd</sup> term this year. Fingers crossed!

Students at Brooklyn School are now well into the challenges of this first term with goals having been set and classroom environments developing. I would like to thank all of the parents who joined us for the 'Be at Brooklyn' evening last week. It was fantastic to be able to meet you all and have you be a part of the information sharing in our respective classrooms.

We are all stakeholders in the educational journeys of our children and we strongly encourage you to take an active role as your child travels along their own learning pathway.

Have a wonderful week everyone.

Chris
