Welcome to Term 2 everyone!

I hope that the break provided a chance for fantastic family time and energy levels have been recharged ready for an exciting second term. The teaching staff at Brooklyn have been planning busily, preparing exciting learning opportunities and we can't wait to get these underway.

Please take note of the attached calendar so that you can keep track of upcoming events that are scheduled for this term and return any notices related to sports as quickly as possible.

We welcome Kat Rayson back from her European journeys and no doubt Room 1 students will be treated to some interesting stories from afar!

Let's get stuck in to learning and have a brilliant term everyone.

Chris
