Brooklyn School Newsletter

Guardianship, Self Efficacy, Wellbeing,
Sustainability & Relationships.

Kia Ora,

13th May 2019

Brooklyn students are looking back into history over the coming weeks as they investigate events that took place back in time. You may be asked as a parent what your school days were like 'back in the day' as students build their respective pictures on what school life used to be like. I was reflecting on this myself after being extensively questioned by my own son over the past weekend!

Of course Brooklyn School has a wonderfully rich history of its own and all of our students will be reviewing its various elements as they seek to build a picture of life at our school in days past. We look forward to sharing our learning with you over the coming weeks as we celebrate 145 years of our brilliant Brooklyn School.

As you will see within this newsletter, there are a number of fundraising initiatives coming up that our FOTS group are involved in organising and running. Please support these events if you are able to, either in a helping or co-ordinating role as the outcomes directly benefit our school and are always greatly appreciated.

Have a fantastic week everyone.
Chris

FOTS – Friends of the School Fundraising Committee

We are a group of parents who are passionate towards helping our school provide the best for our students. In the past few years we have fundraised for: Our town school bus, learning resources for classrooms like listening posts & TV Screens, staff meeting room furniture, sports equipment, plants for the gardens, the list goes on.....

Term 3 we have a Sprig N Fern Quiz night coming up, we will be asking for helpers, teams and raffle prizes.

Term 4 will include our annual book fair. All parents/caregivers will involved before or on the day!

If you have fundraising ideas, can help at either of the above fundraisers coming up, let Josie or Luisa in the office know.
