

Our 2018 theme: Growing Together

Manaaki whenua, manaaki tangata, haere whakamua
Care for the land, care for people, go forward.

Kia Ora

As you will have seen, we are still working through a number of property projects as a result of last terms' Cyclone Gita. A great deal of time and effort is being invested into returning our fantastic school to it's former condition and we again thank the many wonderful friends of Brooklyn School for their continued support.

Our students are currently preparing for the upcoming Cross Country and we also look forward to welcoming the 'Life Education' caravan back to Brooklyn School as part of our Health Education focus this term.

Mid-Year assessments are approaching and the staff and students will be working through these in

preparation for end of term reporting and Parent / Teacher meetings. A busy time indeed!

Meanwhile, the amazing weather continues and this enables us to continue to run a range of outdoor activities during breaks.

Our new timetable is also in action from today, check it out on our website: www.brooklyn.school.nz

A reminder that 'Wheels Wednesday' is now the only day for scooters as our court surfaces are required for winter sports trainings.

Today is a great day for learning!

Chris
