Kia Ora,

10th June 2019

Last Friday saw our fantastic school celebrate its 145 years! Our students and staff have been looking back through the years over past weeks, investigating how times have changed and the ways in which schooling has evolved. It was wonderful to welcome our community along to join us in celebrating US last Friday. Brooklyn's students experienced a wide range of hands-on activities during this day and certainly gained a deeper understanding of 'then & now' as information was shared and stories were told. A big thanks to those parents who joined with us on Friday.

Winter has arrived everyone, bringing with it the coughs, colds and flu which has impacted upon both students and staff here at Brooklyn School. Please ensure that your contact details are up to date at our school office as this can prove to be very important if we need to get in touch.

Congratulations to our brilliant Jump Jam teams who took part in the festival yesterday. Great fun was had and the groups did us proud as a school. Many thanks to Vicki Karetai for her organization before and during this event.

Stay warm and dry!
Have a wonderful week everyone!

Chris
